Ronald A. Chisholm Undergraduate Scholarship Program 2018

The Canadian Meat Science Association (CMSA) is pleased to be involved in awarding the **Ronald A. Chisholm Undergraduate Scholarships**. Two scholarships will be awarded in 2018 to promising undergraduate students interested in studying Meat Science in Canada.

Founded in 1938, Ronald A. Chisholm Limited is one of the leading trading companies in the world of meat and dairy products of Canadian and international origins. With sales exceeding \$1 billion per year, the company prides itself on being the market leader in creating market opportunities for the unique and dynamic agri-food products that Canada continues to create year after year, that the rest of the world cannot provide.

The purpose of these scholarships is to promote quality education and development of meat science in Canada. The awards are valued at **\$2,500 each** and will be presented at the CMSA Technical Symposium on May 28-30, 2018 in Montreal, QC. Winners must be present at the CMC Conference in order to accept the Award in person. Travel expenses and registration fees for the meeting will be provided for the scholarship winners. All applicants will receive a one-year complimentary membership in CMSA.
